Lock Revival
 Dr. Alex Khadavi, board-certified dermatologist, **Revivogen** is a natural, three-product hair loss **Bio-Cleansing Shampoo**, **Hair Thickening Serum**, and **Scalp Therapy**. The **Micro-Delivery System** ingredients—including **Salicylic acid** and **saw palmetto** follicles for thicker, healthier hair.

The Crowning Glory
 Dr. Alex Khadavi, a Los Angeles-based dermatologist, identifies **Revivogen**, a natural solution to hair loss for both men and women. Its natural ingredients—including gamma linolenic acid, saw palmetto extract and ginseng root extract—have been proven to reduce DHT production, block androgen receptors, force DHT uptake and initiate the follicular growth cycle that revivogen.com

THINNING HAIR: SMART SOLUTIONS

Every salon needs to address hair-loss

"All stylists have clients with thinning hair. The one-on-one personal touch between stylists & client allows you to address thinning hair at the beginning stages—before hair loss progresses. Laser Hair Enhancement & Revivogen offer the most comprehensive in-salon and at-home solutions to reverse thinning hair. I recommend that all salons offer these solutions to restore their clients thinning hair!"

Dr. Alex Khadavi, MD, Board-certified dermatologist, Associate Professor of Dermatology, University of Southern California

Revivogen and Salon Lasers work amazingly well as complimentary solutions for thinning hair.
